*I would like to take this otherwise blank space to thank Student Affairs, especially Margaret Steck, for their help in producing this handbook. Sincere gratitude also goes to Beth Conner, Whitney Machnik, Robert Moore and Rich Friedel of Central Virginia Printing. Without their assistance and encouragement the production of the **Student Handbook** would not have gone as smoothly as it did.*

*Read it. The **Handbook** will never hit the best seller list; it is, nonetheless, a good book. It is Sweet Briar. Cover to cover.*

SWEET BRIAR HISTORICAL SKETCH

Sweet Briar was founded in the first year of this century by Indiana Fletcher Williams in memory of her only daughter, Daisy, who died in 1884 at the age of sixteen. Mrs. Williams was a daughter of Elijah Fletcher, who came to Virginia from Ludlow, Vermont, in the early years of the nineteenth century and taught school in Amherst County. Later he moved to Lynchburg where he owned and published a newspaper, became a civic leader, and amassed large holdings of land as well as a considerable fortune.

At the time of Mrs. Williams' death in 1900, her estate consisted of more than eight thousand acres of land, including the Sweet Briar plantation, and over half a million dollars. Under the terms of her will, the Trustees were directed to incorporate an educational foundation in the state of Virginia, to establish it as a perpetual memorial to her daughter, and to turn over to it all property left to them in trust.

It was Mrs. Williams' desire, according to the following excerpt from her will, that "It shall be the general scope and object of the school to impart to its students such education in sound learning, and such physical, moral, and religious training as shall in the judgement of the Directors best fit them to be useful members of society."

The first Board of Directors determined that the college should be free from denominational control and that it should maintain the highest academic standards, uniting classical and modern ideals of education.

Sweet Briar College opened formally in September, 1906, with fifty-one students, including fifteen day students. Its A.B. degree, granted for the first time in 1910, was soon accepted for graduate work in leading universities of the country.

By 1921, Sweet Briar held membership in the Southern Association of Colleges and Secondary Schools, the American Association of University Women, and the American Council on Education, and was approved by the Association of American Universities. Sweet Briar is a member of the College Entrance Examination Board, is a contributing member of the American School of Classical Studies at Athens and is affiliated with the Intercollegiate Center for Classical Studies in Rome. Sweet Briar College offers courses leading to teacher certification in the State of Virginia and 29 other states at both the elementary and secondary level. The music department is approved by the National Association of Schools of Music. Its chapter of Phi Beta Kappa is the Theta of Virginia, authorized in 1949.

In May, 1927, a Board of Overseers was established. It consists of the seven Directors and additional members elected by the Directors for four-year terms. The active oversight of the college is in the hands of this larger board whose decisions are submitted to the Board of Directors for ratification. Alumnae representation on the Board of Overseers was instituted in 1934. Through a policy adopted in 1973, each graduating class now elects one of its members to serve a special three-year term on the Board of Overseers.

Sweet Briar's first five presidents were women. Dr. Mary L. Benedict held the office from the opening in 1906 until 1916; Dr. Emilie Watts McVea served from 1916 to 1925; Dr. Meta Glass from 1925 to 1946; Dr. Martha B. Lucas from 1946 to 1950; Dr. Anne Gary Pannell from 1950 to 1971; and Dr. Harold B. Whiteman, Jr., from 1971 to 1983. Dr. Nenah E. Fry began her administration as seventh president of the college in 1983.

SWEET BRIAR'S MISSION

Sweet Briar is a four-year independent college whose aim is to prepare women to be active, responsible members of society. A foundation in the liberal arts is essential to this end. Study of the liberal arts enhances the development of critical thought, leads to independence and allows the mature adult to continue to learn long after leaving Sweet Briar.

The College believes that clear thinking and adaptability are best fostered by a broad study of those disciplines that teach one to view one's experience in wider contexts, to appreciate the achievements of the past, to derive satisfaction from the arts, to understand the methods and major theories of science, and to communicate with precision and cogency.

Moreover, the College seeks to provide an environment that encourages physical well-being, moral awareness, sensitivity to others, responsibility for one's actions, and the assumption of leadership and personal initiative--qualities enabling the graduate to enjoy life in humane community.

While recognizing the distinctive qualities of womanhood, the College believes that excellence knows no gender. Sweet Briar remains a women's college in order to devote all its resources to the education of women in the full range of the liberal arts, including those subjects and responsibilities that have all too often been defined as male domains.

The faculty teaches individuals on a human scale. In small classes, students receive the attention that encourages self-confidence and improvement of skills for life and livelihood.

A sound foundation in the liberal arts will benefit the graduate for a lifetime, by providing the adaptability, the communication skills, and the experience in independent problem-solving which are demanded of any woman today. As an independent college, Sweet Briar possesses the freedom to respond appropriately to the many challenges facing higher education in a rapidly changing world.

The Sweet Briar curriculum reflects the conviction that a student should achieve depth in some field of knowledge, and should have a critical appreciation of the ways in which knowledge is gained. An educated person should have an informed acquaintance with (to adapt the language of Dean Henry Rosovsky of Harvard):

The mathematical and experimental methods entailed in the study of the physical environment, and the major theories and limitations of the natural sciences;

The main forms of analysis and the historical and quantitative techniques needed for investigating the development and workings of modern society;

The important scholarly, literary, and artistic achievements of past and present;

The major religious and philosophical conceptions of man;

A culture outside the bounds of Western culture.

SWEET BRIAR SONG

Sweet Briar, Sweet Briar, flower fair,
The rose that on your crest you wear
Shall never fade, but always bear
Thy beauty, O Sweet Briar!
Sweet Briar, Sweet Briar, thy columns
white
Shine on thy hills a beacon light
Of truth, to burn with radiance bright
Forever, O Sweet Briar!
Sweet Briar, Sweet Briar, we sing to thee.
May thy foundations ever be
Strong as thy hills, thy purity
That of thy rose, Sweet Briar!

HONOR SYSTEM

The Honor System, a workable system of mutual trust which has been incorporated into all aspects of life at Sweet Briar, consists of three principles of honor upon which the community operates. These principles are: the validity of one's word, the honesty of one's work, and respect for the property of others. While allowing students a greater degree of individual responsibility, the Student Government Association rules and Honor System serve to establish a cohesive sense of community living. When a student assumes this responsibility, it is believed that she will recognize the rights of others and maintain consideration for these rights. This system operates for the benefit of the whole and the individual only when each individual accepts her responsibility to the whole. **IGNORANCE IS NO EXCUSE.**

The Honor System is based on the fundamental belief that harmony in community living is best achieved when it has as its basis honor and mutual trust. The Honor System at Sweet Briar College is constructed so as to uphold these three principles which we believe to be the core of the individual and community honor:

1. Integrity of one's word.
2. Respect for the property of others.
3. Honesty in academic work (including preparation of classroom work, papers, laboratory work and notebooks, tests and examinations).

Each student is required, under pledge, to adopt these standards and to uphold them during the duration of her career at Sweet Briar.

After passing the Student Government Association test at the beginning of her first year at Sweet Briar, every student is expected to sign the Honor Pledge, without reservation, indicating that she will adhere to the principles of the Association as long as she is a member thereof.

EACH TIME A SWEET BRIAR STUDENT SIGNS HER NAME TO ANYTHING, SHE ACKNOWLEDGES HER PROMISE TO UPHOLD THE HONOR PLEDGE.

I. Sweet Briar Honor Pledge

I PLEDGE THAT I WILL GUARANTEE THE VALIDITY OF MY WORD, MAINTAIN ABSOLUTE HONESTY IN MY WORK, AND RESPECT THE PROPERTY OF OTHERS. REALIZING THAT THESE STANDARDS ARE AN INTEGRAL PART OF LIFE AT SWEET BRIAR, I HEREBY ASSUME MY OBLIGATION TO UPHOLD THEM. I WILL REPORT MYSELF AND ASK OTHERS TO REPORT THEMSELVES FOR ANY INFRACTION OF THIS PLEDGE.

In order to avoid external controls as much as possible, we depend upon certain means of self-enforced discipline:

1. The student must report herself for any infraction of the Sweet Briar Honor System. If there is cause to think that specific infractions are occurring, judicial representatives, in accordance with judicial procedures, have the power to ascertain whether or not this is true.

2. The student is first of all responsible for her own behavior. If she has reasonable knowledge of a breach of the pledge, she is honor-bound by her signature, to ask the offender to report herself. If the offender fails to report herself, it is within another student's power to report her to the proper Student Government Association officer. Signing the pledge does not commit a student to report an offender, but it does commit her to ask the offender to report herself.

3. Students are reminded that once a Judicial case has been decided there is to be no further discussion by those directly or indirectly involved.

Any infraction of the Sweet Briar Rules and Regulations which involves lying, cheating, or stealing is considered a breach of honor.

An honor regulation is one which the student has pledged herself to uphold. The student is honor-bound to report herself and to ask other students to report themselves for infractions of the honor regulations. Such infractions will be considered honor offenses and as such will be punished with severity.

Students should realize that every student has the same obligations to the community in upholding the Honor System. Personal feelings and/or relationships should have no bearing

upon fulfilling this responsibility. In maintaining the spirit of an honorable community and of a just judicial system, students must respect the decisions made by the Judicial Committee, a body elected by the students. Breaking this spirit may serve to alienate the individual or create disturbance or uneasiness among the community.

II. Academic Honesty

THE VALIDITY OF THE SWEET BRIAR DEGREE DEPENDS UPON THE INTEGRITY OF THE WORK WHICH IT REPRESENTS. Therefore, principles of academic honesty are an essential part of the Sweet Briar Honor System. In accordance with these principles the following regulations have been established:

A. Examinations and tests

1. All tests and examinations are given under the Honor System. The student's signature signifies that the information given on a test or paper is her own. It is regarded as a guarantee of honest work. (As a reminder to all students, each is *required* to sign a printed pledge on every examination that she takes. In addition, on every paper and test, each student is required to write "I PLEDGE" in addition to signing her name.)

2. Only those materials needed for the examination may be brought into the examination room. For their own protection students are advised not to bring notebooks into classrooms where tests and examinations are to be held.

B. Papers and plagiarism

1. The presentation of the words or ideas of another as one's own work is plagiarism. The wording used by others in expressing even commonly known facts is private property, and to include it in a paper as though it were one's own is dishonest. Ideas and facts not generally known and not commonly accepted still bear the personal impress of the men who formulated or discovered them, and it is unfair for the student to present such facts and theories as though they were her own, even if she changes the phrasing their originator used to express them. The student may use another person's work only if credit is given.

a. Credit is given for the words of another by enclosing them in quotation marks or by indenting and single-spacing them.

b. Credit is given for the fact or idea of another, or the paraphrase or summary of another's work, by a footnote specifying the source. Acknowledgement must be made even though the student expresses the ideas and facts in words different from the source.

c. A footnote must be used to show exact source. A quoted passage may range from a single word to a phrase, sentence, paragraph, or series of paragraphs.

d. Every quotation must be exact. If words or phrases within a quotation are omitted for the sake of brevity, three dots (...) should be used to indicate the omitted portion.

e. If such words as pronouns or proper names in a quotation are not clear, an identifying or explanatory word may be inserted by the student. This editorial material must be enclosed in square ([]) brackets.

2. Examples of the dishonest use of material follow:

a. This is a paragraph from *The Rise of American Civilization* by Charles A. and Mary Beard: "When the first Continental Congress assembled in Carpenter's Hall in Philadelphia, it was found that many of the ablest men in America had been sent to speak for the discontented groups in the colonies. Some were bold: Gladson of South Carolina was for an immediate attack on General Gage in Boston. Others were cautious: Dickinson of Pennsylvania thought that a respectful petition to the king would restore harmony; Washington, like Cromwell before him, apparently awaited the decree of Providence."

The following is not an exact copy of the original, but it contains some phraseology which was formulated by the Beards and which therefore belongs to them. To hand in as an original paper one containing this paragraph without giving credit to the Beards would be dishonest:

• Among the members of the first Continental Congress, which met in Philadelphia in 1774, were some of the most capable men in America. They *had been sent to speak for the discontented groups in the colonies*. Some of the delegates, like Gladson of South Carolina, called for decisive action. *Others like Dickinson of Pennsylvania, were more cautious*, believing that a respectful appeal to the king would lead to a solution of their problems. Washington *apparently awaited the decree of Providence*.

In the following paragraph, none of the wording employed by the Beards remains, but the whole framework of the paragraph, the ideas, and their arrangement, has been retained. The inclusion of this paragraph in a paper as if it were original work would be dishonest:

• Many of the wisest men in the colonies were among the delegates of the first Continental Congress. There was a great difference of opinion among these men about what ought to be done concerning the grievances of the colonies. There were those who favored prompt decisive action. Gladson of South Carolina, for instance, advocated attacking the British troops in Boston at once. There were others who believed that a deferential appeal to the king would bring about a redressing of their wrongs. Washington seemed to be content with a policy of watchful waiting for what fate had in store. No wonder that John Adams declared the Congress was part Whig, part Tory, and part mongrel.

The sum of these principles, however, is not that it is impossible to utilize the work of the Beards. The material in this paragraph may be used in several ways. In the first place, it may be quoted entirely or in part, a footnote being used to refer to the source of the quotation. In the second place, all or part of the paragraph may be used as an indirect quotation. In indirect quotation the writer does not reproduce exactly the words of his source but presents the ideas in his own words, at the same time acknowledging this indebtedness. Paragraph 3 might be used for instance, after some such introduction as this: "According to Charles A. and Mary R. Beard in the *Rise of American Civilization*, many of the wisest men in the colonies were...etc." Finally, the facts in the paragraph or some of them might be used without borrowing either the phraseology or the organization employed by the Beards, credit being duly given them in a footnote.

b. The following is quoted in its entirety from *Writing Research Papers; A Complete Guide* by James Lester:¹

Original Material • • •

Wuthering Heights is the most remarkable novel in English. It is perfect, and perfect in the rarest way: it is the complete bodying forth of an intensely individual apprehension of the nature of man and life. That is to say, the content is strange enough, indeed baffling enough, while the artistic expression of it is flawless.

Student Version A • • •

The most remarkable novel in English is Wuthering Heights. It brings forth an individual apprehension of the nature of man and life; therefore it is perfect in the rarest way. The artistic expression is flawless, but the content is strange, indeed baffling.

This piece of writing is plagiarism in its most deplorable form. The student has simply reversed the order of each sentence, retaining the essential phrasing. He provides no documentation whatever, which implies to the reader that these sentences are entirely his original creation.

Student Version B • • •

Wuthering Heights is a great English novel. It is perfect in the rarest way: it provides an individual apprehension of man's nature. The artistic expression is flawless, although the content is strange and baffling.¹

¹Walter Allen, *The English Novel*(New York, 1954), p.223.

This student's version is also plagiarism, even though she carefully documents the citation. She has obviously copied almost directly from her source, changing only a few words and phrases. Her method is neither summary nor paraphrase. This error may be avoided by direct quotation or, preferably, by scholarly paraphrase that may include some direct quotation of any striking significant or well-worded ideas.

¹James Lester, *Writing Research Papers; A Complete Guide* (Glenview, Illinois, 1967), p.48-49.

Student Version C • • •

Walter Allen insists that the "artistic expression" of *Wuthering Heights* is flawless.¹ Allen admits that the content is strange and even baffling, but he argues that the novel is perfect because it accurately presents "an intensely individual apprehension of the nature of man and life."²

¹Walter Allen, *The English Novel* (New York, 1954), p.223.

²*Ibid.*

This version represents a satisfactory handling of the source material. The authority being cited is identified and acknowledged at the outset, the substance of his comment is well expressed in the student's own language, and a key idea in the original, one strikingly worded, is directly quoted, so as to give full credit where the credit is due. The student has been wholly honest to her source, and she has made effective use of the authority for her own purposes.

STUDENT GOVERNMENT ASSOCIATION

The Student Petition (October 17, 1906)

On October 17, 1906, the students of Sweet Briar College, believing in the dignity and honor in student government, desired individual and community responsibility for the conduct of students in matters not strictly academic. The students petitioned before the President and Faculty for legislative and executive control in non-academic matters.

The faculty, on October 20, 1906, endorsed the requests of the student body concerning matters of control in non-academic situations. This endorsement was made with the understanding that the faculty would approve any constitutional changes.

The Student Government Association, on March 29, 1985, proposed that faculty approval of Student Government Association's constitutional changes be eliminated. On March 29, 1985, the faculty voted in favor of the Student Government Association's motion.

Constitution of the Student Government Association of Sweet Briar College

Introduction

The charter of Sweet Briar College grants to the Board of Directors "full and complete management and control" of the College and its affairs. Subject to delegation of this authority by the Board, responsibility for the governance of the College is shared by the Administration, the Faculty, and the students.

1. The Administration has the primary responsibility for the physical security, health and welfare of the College; for the maintenance, improvement and preservation of all facilities; for the financial stability of the College and for its external relations with governmental agencies, other institutions, members of the wider Sweet Briar community, and the public at large.

2. The Faculty, through its officers and committees, including students whenever appropriate, and its established procedures has responsibility for all academic programs, including degree requirements, the awarding of academic honors, the grading system, and the course offerings.

3. The Student Government Association, through its own officers, committees, and constitutional procedures, bears responsibility for establishing, maintaining, interpreting and enforcing regulations in the following areas, subject to legal restrictions or stated policies of the College:

- a. Extracurricular activities (except in those instances where state, regional, and national sports organizations have authority over intercollegiate athletics).

- b. Residential hall activities (except those matters deemed by the President to affect the health and safety of the community or the property of the College).

4. As the chief executive of the College, the President has the responsibility of implementing all matters properly referred to her by the other decision-making groups of the College. In matters of conflict, the President's judgment shall prevail, subject only to the superior authority of the Board of Directors, to whom appeal may be made.

Preamble

Whereas, we, the students of Sweet Briar College, understand that all authority originates with and is delegated by the Board of Directors and

Whereas, we, as the members of a community devoted to intellectual pursuits, do individually and collectively desire to inculcate to each other a sense of responsibility for the welfare of students in that academic community, and

ACADEMIC RULINGS

All students are expected to be familiar with the academic regulations and proceedings in this section, which consists of excerpts from the Faculty Rulings. Other Faculty Rulings will be found in the catalog of the College. A student who does not understand any Ruling should consult the Dean of the College. Ignorance of the regulations will not be an acceptable excuse for failing to comply with them.

A. Registration, Changes of Program, and Schedules

1.a. Registration of students in courses takes place in the Spring Term at a time designated by the Registrar.

b. Drop-add for the Fall, and final registration for Winter and Spring Terms takes place on the dates specified in the college calendar. Failure to register on the day and time designated will result in a late registration fee as follows: \$25.00 up to five days late; \$25.00 plus an additional \$5.00 for every week late after that.

c. The registration of all students must be completed on the dates specified and rooms will not be held for students who do not register unless an acceptable excuse has been presented to the Dean of the College before the official registration date.

2.a. Changes of program (add/drop) may be made within the first eight class days of the Fall and Spring Terms and the first three days of the Winter Term.

b. A student may not enter a course later than the eighth day of the Fall or Spring Term or the third day of the Winter Term. A student who drops a course after the fifteenth class day of the Fall or Spring Terms (in the case of a freshman in her first term, the twentieth day) or the fifth class day of the Winter Term automatically incurs an F in the course. Exceptions may be made by the Dean of the College, at her discretion or on the recommendation of the College Physician. Exceptions shall be reported to the Executive Committee of the Faculty.

c. A change of program is not valid until the completed form is presented to the Registrar by the student. The option of

"potential credit" or pass/no credit must be chosen within the add period.

B. Courses of Instruction, Hours and Credits, Requirements for Graduation, and Class Standing

1.a. The announcement of courses to be offered each year shall be presented by each department to the Committee on Instruction for its consideration and recommendation to the Faculty, which must approve all changes in course offerings.

b. No change from the catalog announcement of credits or number of hours of meeting may be made without the approval of the Committee on Instruction.

2.a. Permission to audit a course must be obtained from the instructor.

b. A student must obtain special permission from her faculty adviser and the Associate Dean of Student Academic Affairs in order to carry 6 or more units of academic work.

c. With the permission of the instructor a student may register for a course on a "potential credit" basis, provided she is registered for at least 4 additional units for credit. The instructor will specify the requirements of the course and the student must meet these requirements as scheduled if she wishes credit. *Not later than one week before the end of the classes in the*

term, the student must notify the instructor and Registrar's office if she does not wish credit for the potential credit course, in which case her course registration will be cancelled.

d. A student may not carry less than 3 units of academic work. The Dean of the College is empowered to grant exceptions to this ruling. If the reason is one of health, the recommendation of the College Physician is required.

3.a. The credit is the ratio of the total number of quality points to the total number of course units taken, excluding physical education grades and pass/ no credit grades which are not counted in computing the credit ratio.

b. The credit ratio is computed as follows: for each unit of A, 4.000 quality points; B, 3.000; C, 2.000; D, 1.000; F, 0.000. For every unit of plus, except A, add 0.300; for every unit of minus, subtract 0.300, save in respect to the grade of F, which is not subject to plus or minus variation.

c. In computing the credit ratio, courses taken at another institution are not counted, except for those taken as part of the Washington Semester at American University, the Tri-College Consortium, or the Seven-College Exchange, which are counted. Grades earned in the second institution involved in a 3-2 dual degree program or in the Sweet Briar Junior Year in France Program will be recorded in the student's file but not on the Sweet Briar transcript, and will not be computed in the grade point ratio.

4.a. In order to be eligible for the Sweet Briar degree, a student must present 38 units, in addition to the required work in physical education, and must have a cumulative credit ratio of not less than 2.000 on the courses taken at Sweet Briar and at any of the institutions specified in 3.c. above. She must satisfy the other requirements for the degree as specified in the catalog. A minimum of 2½ winter term units is required for the degree.

b. A minimum of two years of residence, one of which must be the final

year, is required for the degree and not less than 19 units of credit presented for the degree must have been earned at Sweet Briar.

c. A student who spends the junior year or the Fall Term of the junior year in a study program away from Sweet Briar College must spend the Fall and Spring Terms of the senior year at Sweet Briar.

d. Requests to accelerate the degree course must be made to the Dean of the College, for referral to the Executive Committee of the Faculty. Normally a request will not be approved unless the student's cumulative credit ratio is at least 2.700 at the end of the term (not counting winter terms) at Sweet Briar.

e. A student may declare, complete and have recorded a double major by fulfilling the requirements of two departments.

f. A credit ratio of not less than 2.000 in the major is required for graduation.

g. The diploma must be made out in the full legal name of the student at the time the degree is conferred.

h. A student who after 12 terms of work fails to meet the general credit ratio or the credit ratio in her major required for graduation may be permitted to return to college for one Fall or Spring Term in the year following. She must carry not less than 3 units of work for credit and must have a credit ratio of 2.000 for her entire college course and a credit ratio in her major of 2.000 in order to obtain the degree.

i. A student who withdraws prior to completing the degree and wishes to return at a later date has a total of four years from the date of her withdrawal in which to complete the degree under the regulations existing at the time of her withdrawal. Beyond that, the regulations in effect at the date of her return will be in force.

j. Exceptional cases may be referred by the Dean of the College and to the Executive Committee of the Faculty.

5.a. For senior standing a student must have passed at least 28 units of work and have a cumulative credit ratio of not less than 2.000 and must have met the degree requirements in foreign language and physical education.

b. For junior standing in the Fall Term a student must have passed 17 units and have a cumulative credit ratio of not less than 2.000.

c. For sophomore standing in the Fall

term a student must have passed 8 units and have a cumulative credit ratio of not less than 2.000.

d. A student who fails to earn the units or credit ratio or other stipulations required for full class standing will be carried on the roll of her class as a Conditional Sophomore, Junior or Senior and will not be entitled to the social or nonacademic privileges of her class until she has achieved full class standing

6.a. A student who, at the beginning of the academic year, has failed to earn the units or credit ratio or other stipulations required for full class standing may be declared ineligible to continue her college course, may be placed on academic suspension, or may be carried on the roll of her class as a Conditional Sophomore, Junior, or Senior. If carried on the class roll, she will be placed on the warning or probation list and will not be entitled to hold extracurricular office until she has regained full class standing.

b. Any student who fails to achieve a cumulative credit ratio of 2.000 at the end of the Fall Term will be reported by the Associate Dean of Student Academic Affairs to the Committee on Student Eligibility of the Executive Committee of the Faculty which shall either place the student on warning or on the probation list, or on academic suspension, or declare her ineligible to continue her college course. **No student on warning or probation may hold any extracurricular office.**

c. A student who has been on probation or the warning list for three consecutive terms, not including the Winter Term, or who has failed within one year to repair a failure in any requirement for the degree, shall normally be placed on academic suspension or be declared ineligible to continue her college course. Exceptions to this rule may be made on the recommendation of the Dean of the College by the Committee on Student Eligibility of the Executive Committee of the Faculty.

d. Any student whose cumulative credit ratio is below 1.000 may be dismissed from the college for a semester. Subsequent readmission would be contingent on evidence of satisfactory academic work completed at another accredited institution.

7.a. By agreement among the three colleges, a student at Sweet Briar College may take a course at Lynchburg College or

Randolph-Macon Woman's College, provided the course is not currently available at Sweet Briar College. With the approval of the appropriate department at Sweet Briar, the course may be counted toward the Sweet Briar degree and the grade will be counted in the computation of the cumulative credit ratio.

b. A student involved in the Tri-College Consortium Exchange may not take over 50 percent of his or her courses off the home campus in any one term. Exceptions may be made by the Deans of the institutions concerned.

c. Application for admission should be made to the Dean of the College. No tuition will be charged in addition to that already paid to Sweet Briar College, but the student must pay any extra fees or charges and must make her own arrangements for transportation.

C. Tests, Examinations, and Grades

1.a. All tests and examinations are given under the honor system.

b. The student's signature to any written work is regarded as a pledge of honest work.

2.a. Examinations for each course are held at the end of each Fall and Spring Term and are scheduled in accordance with a plan approved by the Faculty. At the discretion of the instructor, an examination may be given in a Winter Term course but no time will be set aside in the College Calendar for Winter Term examinations.

b. Course examinations are normally of two hours duration and must be terminated promptly. In some cases an instructor may wish to give an examination of longer duration.

c. All course work must be completed by the last day of classes in each term.

3.a. If a student is ill, it is her responsibility to make arrangements with her instructor(s) to complete course work, quizzes, or examinations. Verification of hospital confinement may be obtained by request to the Health Center by the faculty member involved.

b. If a student is in the Infirmary at the time scheduled for an examination or test, she may, with the permission of the Instructor, take it in the Infirmary. By arrangement with the Instructor, however, she may take it after she has left the Infirmary at a time and in a place to be determined by the faculty member.

c. Examinations and tests taken in the Infirmary are conducted under the honor system.

d. If a student is absent from an examination for reasons other than health, she will receive an F in the course unless she presents an explanation for such an absence which is satisfactory to the instructor and the Associate Dean of Student Academic Affairs. If she is absent from a test without a satisfactory excuse, she will receive a grade of F for the test.

4. Departments will require a "culminating" senior exercise most appropriate to the discipline and will be required of all senior majors. This would carry one unit of credit and should take place during the Spring of the senior year.

5.a. Grades are to be assigned with the following meaning: A, indicates excellent work; B, good; C, satisfactory; D, poor but passing; F, failure.

b.i. In the case of year courses, the numbers of which are connected by a hyphen, a grade shall be given at the end of the Fall Term but the grade given at the end of the Spring Term shall be the final grade for the year.

ii. In year courses, the numbers of which are separated by a diagonal line, the grade for each term is separately recorded but the Spring Term must be completed if credit is to be allowed for the Fall Term.

iii. In year courses the numbers of which are separated by a comma, the grade for each term is separately recorded and graded, but the Fall Term is a prerequisite for the Spring term unless otherwise indicated in the course description in the catalog.

c.i. If the Fall term grade in a year course is an F, the instructor shall decide whether the work of the Fall Term must be

repeated. If the final grade is an F, the instructor shall decide whether both terms or only the Spring term must be repeated before a final grade may be given for the course.

ii. If a grade of F is obtained at the end of the Fall Term of a year course and the course is then dropped, the grade shall be counted for one term only. If the course is continued into the Spring Term and dropped after the fifteenth day of the term, a grade of F will be recorded for the year.

6.a. If a student fails a required course, she must repeat the course either at Sweet Briar or at another institution, subject to the approval of the Associate Dean of Student Academic Affairs, and the head of the department concerned. If a student fails a required course twice, she may be declared ineligible to remain in college.

b. Incomplete indicates that a substantial piece of required work has not been completed but under circumstances which merit an extension of time.

c. A grade of I (Incomplete) may be removed only by the completion of the incomplete work within four weeks after the last class day of the term in which the grade of Incomplete was given. Under exceptional circumstances an extension of time may be granted by the instructor on consultation with the Associate Dean of Student Academic Affairs. If the Incomplete is not removed within the specified time, the grade of F for the course shall be recorded.

d. If the grade at the end of the term is an Incomplete, the student should obtain a Permission for Incomplete form from the Dean's office and have it signed by the faculty member and the Associate Dean of Student Affairs as well as herself. This process **must** be completed by the last day of exams. Hence, the Incomplete becomes a three-way agreement.

7.a. A student with a cumulative credit ratio of at least 2.000 may, with the approval of her adviser, take one course each term on a Pass/No Credit basis. A student in her first term at Sweet Briar is not eligible for this option.

b. When a student chooses a Pass/No Credit option she shall be responsible for meeting all academic obligations of the course, including tests, papers and examinations, and shall be graded on the same basis as the other students in the course. If her final grade is C- or better, she

may receive credit toward the degree but the course shall not be counted in the computation of her cumulative credit ratio. The grade of P shall appear on her record. If her final grade is less than C-, she shall not receive credit for the course and the grade of NC shall appear on her record and shall not be counted in the computation of her cumulative credit ratio.

c. A student must choose the course that is to be taken on a Pass/No Credit basis no later than the last day for adding courses in each term.

d. An instructor or department may exclude a course from Pass/No Credit. Such courses will be so indicated in the catalog.

D. Advanced Standing and Summer work

1.a. Application for credit at Sweet Briar for work pursued elsewhere must be made to the Associate Dean of Student Academic Affairs. In no case will more than 19 units of credit be allowed toward the degree for work taken elsewhere.

b. Credit is tentative until the student has completed one year's work at Sweet Briar with a credit ratio of at least 2.000.

c. No credit will be granted for work taken at another institution, including the Junior Year in France, if the grade obtained is less than C-.

2.a. Not more than 4 units of credit for summer school work will be allowed toward the degree. **Students must obtain in advance the permission of the Associate Dean of Student Academic Affairs and the approval of the department concerned for each course taken in summer school if credit is desired.**

b. No credits for summer school work will be allowed in the case of an entering freshman until the student has completed her first year at Sweet Briar with a credit ratio of at least 2.000. If credit is desired, the work must have been taken *after* graduation from high school.

E. Winter Term

1. Every student must offer three Winter Term courses, independent study projects or internships for graduation. A minimum of 2½ Winter Term units is required for graduation. A maximum of only one unit of credit can be received in any one Winter

Term.

2. A course may be offered during the Winter Term of ½ unit credit at the discretion of the instructor. A student would be allowed to take two such courses in a given Winter Term.

3. Each course meeting at Sweet Briar during the Winter Term shall meet on the first and last days of the Winter Term.

4. Instructors shall ordinarily meet with students for a total of at least 24 hours during the four weeks of the Winter Term.

F. Independent Study, Internship, and Special Study

1. An independent study is defined as pursuit of a research project determined in advance by the student in consultation with and with the approval of a faculty member who will act as the sponsor of the undertaking. The student's work, which may take place off campus, need not be subject to continuous review by the faculty sponsor. Independent study projects shall receive ½ or 1 unit credit, as determined in advance, at the discretion of the faculty sponsor.

2. An internship is defined as an off-campus work experience related to a student's academic program. An onsite supervisor and a Sweet Briar College faculty sponsor are needed for direction of the internship.

3. An internship shall consist of a minimum of 120 hours of work, either at the work place or in related field work, and it shall receive one unit of credit. With the recommendation of the faculty sponsor and the approval of the Dean, longer internships may be awarded more credit, up to a maximum of two units for any internship.

4. No more than four units of internship credit may be counted toward the degree.

5. All internships shall be graded on a Pass/No Credit basis.

6. Only sophomores, juniors, and seniors may undertake internships.

7. A student must have a 2.0 cumulative G.P.A. and a 2.0 credit ratio in the proposed

field of study to which her internship is related to be eligible for an internship.

8. A student initiates the process of obtaining an internship by requesting a signed Intent to Intern form from the Office of Career Planning. This form must be attached to the description of the internship which is submitted for the Dean's approval. The project description must be signed by the faculty sponsor, the Chairman of the Department or the Director of the Program, and by the Dean. The deadline for completing this procedure shall be as follows:

a. For **Fall or Spring internships**: by the first day of classes.

b. For **Winter Term internships**: one week before the end of Fall Term classes.

c. For **Summer internships**: one week before the end of Spring Term classes.

9. A standard letter outlining the College's internship policies and containing the faculty sponsor's name and telephone number shall be sent to the on-site supervisor from the Dean's Office before the internship begins. Attached to the letter shall be a form which the on-site supervisor will be asked to sign and return directly to the faculty sponsor; this form will verify that the supervisor has agreed to accept the student as an intern.

10. To receive credit for the internship, a student must submit the following:

a. a written report of assigned reading which is related to the academic discipline in which the internship is taken and to the internship itself. Other work may be substituted for this report with the approval of the faculty sponsor and the Dean.

b. a journal which provides a detailed description of what the intern did.

c. a paper in which the intern attempts to make sense of the internship experiences recorded in her journal by relating them to her academic discipline and to any assigned literature.

d. a form signed by the on-site supervisor verifying satisfactory completion of the internship. It is also the student's responsibility to request her supervisor to send an evaluation of her work directly to the faculty sponsor.

11. A special study is defined as the study of a topic under the immediate supervision of a faculty member.

12. No student may be accepted for an independent study project or an internship unless she has had at least one unit of course work in the proposed field of study.

13. A student doing an independent study project or internship must obtain on her project description the signatures of the faculty member sponsoring her project, of the Chairman of the Department or Director of the Program, and of the Dean. The deadline for completing this procedure shall be the end of the second week of the Fall and Spring Terms and, for the Winter Term, one week before the end of Fall Term classes.

14. A credit ratio of C (2.000) in the proposed field of study shall be required for an admission to the independent study. Freshmen therefore are ineligible for admission to independent study or internships during the Winter Term.

15. Exceptions to these rulings may be made for good cause by the Dean in individual cases.

G. Dual Degree Programs

1. The purpose of these programs is to satisfy the needs of the student who wishes to combine the advantages of a liberal arts curriculum with the more specialized training offered by a large institution. The general plan of study comprises three years at Sweet Briar, followed by two years at a cooperating university, and leads to the award of two degrees: the Bachelor of Arts from Sweet Briar, and the Bachelor of Science from the university.

2. The Sweet Briar degree shall be awarded at the end of the fourth year, provided that the student's work that year has been satisfactory. If Sweet Briar's commencement occurs before the fourth-year grades are available, the student will be allowed to participate in graduation exercises, but her degree will be withheld until the final grades are received from the cooperating institution.

3. In addition to the specific prerequisites of the cooperating university, the student must satisfy the following Sweet Briar requirements by the end of her third year:

a. Completion of three-quarters of the total units required for graduation.

b. Completion of the area distribution requirements.

c. Completion of a major field of study, except when courses at the university can be applied toward the major.

4. In order to be eligible for the Sweet Briar degree, a student following a 3-2 program shall have spent at least two years in residence, one of which must be her junior year.

H. Class Attendance and Due Dates for Reports

1.a. Students shall remain in the classroom for ten minutes after the designated time for the start of class but may then leave if the instructor fails to meet the class without notice.

b. An instructor must give advance notice of detailed requirements for papers and other major projects and the due date so that the student may have a reasonable time to complete them. When the terms of an assignment seem unreasonable, a student, having consulted the instructor first, may then consult the department chairman or the Dean of the College.

c. While an earlier date for the completion of term papers or reports may be set by the instructor, the latest date permitted is one week before the end of classes in the Fall and Spring Terms. All work for Winter Term must be completed by the last day of the term.

2.a. A student is expected to attend all classes and keep all other academic engagements. The responsibility for attendance rests with the student. The instructor shall give the Dean of the College, by the 15th of each month the name of any students whose absences, in the instructor's judgement, have been excessive during the preceding month.

b. All work missed must be made up promptly, and in advance of an absence if it can be anticipated.

c. With the permission of the instructor, a student may change from one section to another in order to make up the work. She may not do so in order to remove records of absence or to leave college early before a vacation or recess, or to return late therefrom.

d. An excuse for a late return to college after a vacation or recess must be presented to the Dean of Student Affairs

before the hour set for return to the college. Students traveling by public transportation without confirmed reservations will not be excused for lateness unless the delay is caused by inclement weather or mechanical failure.

e. A student who is absent from classes for more than four weeks may re-enter classes only with the permission of the Dean of the College. Only in exceptional cases will she be permitted to carry a full schedule of courses.

f. The Dean of the College may modify at her discretion the operation of any of the rules regarding attendance.

I. Honors

1. General honors are awarded at graduation on the basis of the student's entire undergraduate record, including the comprehensive requirement.

2. The requirement for

a. the degree *cum laude* is a cumulative credit ratio of not less than 3.300.

b. the degree *magna cum laude*: a cumulative credit ratio of 3.500.

c. the degree *summa cum laude*: a cumulative credit ratio of 3.800.

3. Departmental honors as well as general honors may be awarded to students enrolled in the Honors Program. Depending on the quality of the student's work, she may receive the degree with "Honors," "High Honors" or "Highest Honors" in her major field of study in accordance with the stipulations for the Honors Program as approved by the Faculty.

4. "Junior Honors" are awarded at the beginning of the academic year to the members of the Junior Class who have achieved a cumulative credit ratio of not less than 3.300. This applies only to the class of '86.

5. "Freshman Honors" are awarded at the end of the Fall Term to freshmen who have achieved a credit ratio of 3.300, provided they have carried at least 4 units of graded work and received no grade below C.

6. Sophomores, juniors and seniors

who have achieved a term credit ratio of not less than 3.500 at the end of a Fall or Spring Term, provided they have carried at least 4 units of graded work and received no grade below C, may be named to the Dean's List as approved by the Faculty. Eligibility also requires that a student not receive the grade of U (for instance in physical education courses).

J. Honor System

1. If an instructor observes a possible breach of Academic Honor he/she will promptly confer with the student involved. If after conferring with the student, the instructor believes that a breach has occurred, he/she shall urge the student to report herself to the Judicial Chairwoman of the Student Government Association. The student shall advise the instructor when she has done so. If the student fails to do so promptly, the instructor shall report the case him/herself to the Judicial Committee.

2. When consulted by a student concerning suspicious work which has been observed, the instructor should advise the student to discuss the case with the Judicial Chairwoman of the Student Government Association. If an instructor is in doubt about the best procedure in a given case, he/she should consult the Dean of the College.

3. Expulsion, suspension, pledge suspension and honor probation shall be recorded on the student's transcript. The record of expulsion or suspension shall remain permanently on the transcript. Pledge suspension shall be included on a transcript until six months after the termination of the pledge suspension period. Honor probation shall be recorded on a transcript only during the period of probation.

K. Academic Advisors

1. The Dean of the College and the Associate Dean of Student Academic Affairs are available for counseling of students, with primary responsibility in the academic area.

2. After a student has chosen her major field in the spring of her sophomore year,

her work will be normally directed by the advisor to majors in the department.

L. Withdrawal

A student who wishes to withdraw from college during the academic year must present to the Associate Dean of Student Academic Affairs the written approval of her parents or guardian, stating the reasons for withdrawal. She must clear all financial obligations before her honorable dismissal can be granted.

M. Readmission

Readmission after withdrawal from Sweet Briar is not automatic. Application for readmission should be made to the Associate Dean of Student Academic Affairs who will confer with the Dean of the College.

N. Convocations

Participation at all convocations is a privilege and a responsibility of every student. Attendance is therefore expected.

LIBRARY

A. Library Collections and Services

The Sweet Briar College Library has one of the finest collections in this part of Virginia. It includes over 200,000 volumes, some of which are rare or unique and over 825 periodical and newspaper subscriptions. Most of these materials are housed in the Mary Helen Cochran Library consisting of five floors of bookstacks, reading, and study areas. The music collection is located in the Fishburn Library in Babcock; the mathematics and science materials are in the Fletcher Library in Guion; and the art history and studio art materials are located in the Shallenberger Library in the Anne Gary Pannell building.

In addition, Sweet Briar has access to library resources locally and across the country. The Library is a member of the Lynchburg Area Library Cooperative which allows students to use the facilities of academic, public, and special libraries in the area. The DIALOG and BRS information

retrieval system provides us with access to over 70 million bibliographic citations in over 150 databases. The OCLC system contains over ten million book and non-print citations, and provides a rapid interlibrary loan subsystem.

The Library faculty offers several courses and seminars on library use and materials. Basic Library Skills is required of all entering students, while other courses deal with computer use and online searching and are highly recommended for students with major projects. Studies have shown that superior library skills enable students to perform better academically.

Some of the special facilities and collections worth noting are:

1. The Reference Room

This is the main service center of the Cochran Library. Here you will find the card catalog and over 2000 reference works including dictionaries, encyclopedias, bibliographies, handbooks, almanacs and atlases. National bibliographies are in the staff work area. Reference works are intended for looking up quick facts or for locating sources of information, so they should be used only in this room. Assistance is available at the reference desk at the entrance to the room or in the Reference Office.

Seating for 70 in the Reference room and adjacent study gallery make this a popular study and research area.

2. The Circulation Desk

Books are checked out and returned here, questions are answered, and reserve books are kept behind the desk. New books, notices of events and exhibits are displayed in the lobby near this desk.

3. Book Stacks

Most of the collection is housed on the lower three stack levels of the Cochran Library. Stack three contains materials in philosophy, psychology and religion. On stack two are the social sciences, language and literature books, and materials on business, riding and theater arts. Stack one contains the history and biography collections, as well as the Library's periodical and microform holdings.

4. Browsing Room

The Browsing Room on the main floor contains current reading in both fiction and non-fiction. Comfortable furniture makes the Browsing Room a popular place to relax and study. A stereo system is available to

play records and tapes.

5. Rare Book Room

Located on the upper floor, this room contains handsome examples of bookmaking, from incunabula to books on the graphic arts and music. Three collections are particularly outstanding: George Meredith, W. H. Auden, and Virginia Woolf.

6. Periodicals

All periodicals in the Cochran Library, both current and retrospective holdings, are on stack one. Current issues are on wooden shelves along one wall, bound volumes are shelved by call number in the older section of the stack. A large portion of our periodical and newspaper holdings are kept in microfilm or microfiche. These are filed alphabetically by title. Film and fiche readers, as well as two reader-printers, are available for use. Periodicals do not circulate and should be used only on stack one. If you need help using these materials, the Library staff should be consulted.

Periodicals in art, art history, music, mathematics and the sciences are kept in the appropriate departmental libraries. Microforms in mathematics and the sciences are kept in the Science Library.

7. Kellogg Library

Located in Room 101 of the Cochran Library is a small collection of children's literature and reference materials of interest to those in teacher education as well as to neighborhood children. Teaching manuals and current materials on education are kept in the Kellogg Library; historical and general materials are in the stacks.

8. Music Library

The music collection of about 2000 books and 3500 scores is located in the Fishburn Library in Babcock. There is a separate reference and periodicals collection. Records, tapes and appropriate listening equipment are available for use in the library.

9. Art Library

The art history and studio art collections of over 12,000 books and periodicals are located in the Shallenberger Library in the Anne Gary Pannell building. A small seminar room, individual carrels and a lounge area provide a variety of study en-

vironments. A photocopy machine is also available.

10. Science Library

The Fletcher Library in Guion houses about 16,500 books and journals in the fields of mathematics, computer science, biology, chemistry, physics and environmental studies. Backfiles of most periodicals are on microfilm or microfiche. A reader-printer is available to make copies from microfilm and fiche.

11. Photocopying

A multi-copy, key operated copier is available adjacent to the Circulation Desk in the lobby of the Cochran Library. Desk attendants will provide assistance and collect payment. Copies are ten cents per page. The copyright law (PL 94-553) governs the making of photocopies. Under certain conditions specified in the law, a copy may be made for "private study, scholarship or research," but for no other purpose. **Students may not charge the cost of photocopies.**

12. Academic Resource Center

The Academic Resource Center (ARC) is located on the upper floor of the Cochran Library. Workshops in reading, study and research skills are conducted here. Counseling is available at scheduled hours for students with academic or study problems.

13. Richard Rowland Video Archive

This facility shares space with the Academic Resource Center. Videocassette and laserdisc players are available for student use. Tapes and discs of dramatic presentations, movies, poetry reading, etc., may be signed out at the Circulation Desk.

14. Microcomputers

There are several Apple II and Macintosh microcomputers in the Library available for student and faculty use on a sign-up basis. Sign-up sheets are at the Circulation Desk. Program diskettes for these are kept at the Circulation Desk.

B. Library Policies

1. The borrower is responsible for the

prompt and safe return of all books charged out to her name. Any student who does not properly charge out a book or return it promptly is in violation of the Honor Code and is subject to the discipline of the Judicial Committee of the Student Government Association. This rule applies to the Music, Art History-Studio Art and Science Libraries as well as to the Cochran Library. A 3M book security system has been installed in each College library to protect library resources for the use of the whole community.

2. The loan period for most books is 30 days. To check books out students must sign their names legibly and provide their Social Security number. All library books must be returned to the Library by the last day of exams in the Spring term. **Periodicals and reference books do not circulate.** Reserve books may go out for three hours and many may be checked out overnight.

3. Fines accumulate at the rate of five cents a day per book up to the replacement cost of the book. Two postcard reminders will be sent; the third notice will be a bill for the replacement cost of the book, plus a twenty-five dollar processing fee. If books are returned within a reasonable time after the third notice, only accumulated fines will be assessed. Fines are not charged over vacations and during January term, though students will be fined an amount equivalent to the replacement cost of each book not returned by the end of Spring term.

Reserve fines are twenty-five cents per hour for each item and accumulate up to the replacement cost of the item. Overnight reserves are due 1½ hours after opening the following day.

Books which have been lost should be reported immediately. The overdue fines will be suspended from that date until the book is located. If the material is not located by the end of the term, the cost of replacement plus a twenty-five dollar processing fee must be paid in full by the student. If lost books are found, the student's money will be refunded, except for any accumulated fines. Bills for overdue and lost books must be settled at the end of both fall and spring terms.

4. Books and periodicals should be considered as college property for general, not private, use. Many are now irreplaceable and need to be handled with care. Never underline or mark a library book and please

protect them against bad weather outside the Library. Report any damage to a book at the Circulation Desk.

5. Food or drink must not be brought in to any part of the Library. Smoking is permitted in designated rooms only.

RESIDENCE HALL POLICIES

A. Residence Hall Regulations (including all campus housing for students)

The College reserves the right to enter all college facilities at any time to make periodic inspections of its properties.

The privacy of a room occupied by a student will be respected. Students will generally be given 24 hours notice for routine repair, maintenance, or inspection unless specific or immediate service has been requested by a student. If an imminent danger to the health and/or safety of the building's occupants exists, authorized persons may enter a student's room without notice (i.e. fire, bomb scare, false alarm, accident, or serious illness). These procedures and policies in no way limit bona fide law enforcement agencies from a lawful search.

ANY VIOLATION OF ANY OF THE FOLLOWING RULES WILL BE SUBJECT TO A FINE OF AT LEAST FIVE DOLLARS. IN ADDITION, THE VIOLATOR MAY BE BROUGHT BEFORE THE SOCIAL VIOLATIONS HEARING BOARD. THE STUDENT, ORGANIZATION OR RESIDENCE HALL WILL BE CHARGED FOR THE COST OF REPAIRS OR REPLACEMENT RESULTING FROM ANY SUCH VIOLATION OR FOR REPAIRS REQUIRED FOR DAMAGES INFLICTED IN ANY OTHER WAY.

1. Damage/Cleaning Deposit

A refundable room damage/cleaning deposit of seventy-five dollars is collected each year from every student in residence. Every student is expected to leave her residence hall clear of rubbish and personal belongings and in order, as it was on her arrival.

When moving into a room, each student must fill out and sign a Room Condition Report. It is important that she report any problems, pre-existing damage, or necessary repairs to the Director of Halls of Residence at this time. Rooms are inspected at the close of college in May, and assessments for repairs/cleaning are made accordingly.

2. Animals

Animals cannot be brought into the residence halls by students nor kept there nor on the campus. Fines will be twenty-five dollars per animal. Repeated violations will result in repeated fines. Animals will be removed from the residence hall at once by the security police force. The animal that is unidentifiable as to ownership will be sent immediately to the Humane Society of Amherst. The animal whose ownership is identifiable will be kept for 48 hours prior to its being transported to the Humane Society. This interval should give the student owner sufficient time to make arrangements for getting the animal off the campus.

3. Attics

Students are not permitted to go to the attics. If luggage is wanted from the attic, the request must be left in writing in the janitor's box before noon of the day it is needed. Keeping one suitcase in your room for late travel plans is recommended.

Under no circumstances is any student allowed to enter the residence hall attics unless she is accompanied by a female member of the Halls of Residence staff. Entry into this forbidden area without proper permission is a violation of House Rules and will be dealt with by the Social Violations Hearing Board.

The removal of any item from the attic that does not belong to you or that you have not received permission to attain is an honor violation and will be dealt with by the Judicial Committee.

4. Decorating Rooms

a. Nothing (including thumb tacks, nails, screws, pins, stickers, tape or adherent of any kind, paste of any description) may be attached to the walls, woodwork, doors, metal trim, or furniture in the college buildings either in student rooms or in public areas.

b. Hanging pictures: All residence hall rooms are equipped with picture moldings from which pictures, posters, mirrors and wall shelves can be hung.

c. Some rooms are equipped with towel racks which are permanent property of the college. Students are not permitted to install their own hooks or towel racks.

d. Brackets for curtain rods are provided in each room. Students are responsible for their own rods and curtains. Cafe curtains are not allowed.

e. Pin-up lamps are not permitted.

5. Electric Appliances

To reduce potential fire hazard and the overloading of electrical circuits, the use of electrical food preparation and ironing appliances is not permitted in residence hall rooms, halls, or parlors. Kitchens and service rooms are provided in the residence halls for these functions. Reasonable use of other electrical appliances which do not present unusual hazard or high electric load are permitted in residence hall rooms. The following are not permitted in residence hall rooms: air conditioners, microwave ovens, toaster ovens, hot plates, toasters, electric frying pans. Small portable electric refrigerators not exceeding 4.5 cubic feet in storage volume, 80 pounds in total gross weight, which require less than 240 watts of electricity in normal operation will be permitted in residence hall rooms provided the student assumes full and complete responsibility for acquiring, moving, maintaining and/or final removal of the same. The college may not be called upon for crating or shipping these appliances.

No electric appliance may be used in the residence halls under any circumstances unless the appliance as a whole (not just the cord) has been approved by and bears the seal of Underwriters' Laboratories, Inc. (U.L. Listed).

6. Food Storage

Food not stored in a kitchenette or private refrigerator should be kept in tin boxes screw-top jars, or other sealed containers.

7. Furniture

Student rooms are furnished with beds, dressers, desks, bookcases and chairs. Each student should provide a pillow,

towels, sheets, pillow-cases (or subscribe for laundry service for these), blankets, and mattress pad. Dressers and bed units are not to be removed from student rooms without permission from the Director of Halls of Residence. A \$10 fine will be issued for the unauthorized removal of these items. If you have bunk beds in your room which you do not wish to leave stacked, see the Director of Halls of Residence. Beds are NOT to be dismantled or a mattress removed from its frame. If beds are dismantled without permission, a \$10.00 fine will be imposed. No mirror is to be separated from the dresser. Separating mirrors from dressers will also result in a \$10.00 fine. Furniture is not to be removed from public areas.

8. Trunks

Trunks and boxes must be unpacked and tagged for attic storage within five days of the opening of college in the fall.

9. Public Areas

For fire and safety reasons, hallways must be clear at all times. Students must refrain from leaving personal belongings in dormitory halls, bathrooms, housekeepers' closets, and kitchen areas. In addition to being unattractive and an inconvenience to other residents, these items (dishes, clothing, boxes, etc.) are a hindrance to the housekeeping staff and can be dangerous in an emergency evacuation. Personal items left in public areas after a 48 hour period will be confiscated.

10. Mattress Pad

A mattress pad must be furnished and used by every student beginning her first night in residence. Mattress pad inspection will be held by the staff of the Halls of Residence soon after the college opens in the fall.

11. Rugs

Rugs of any size are permitted in student rooms. It must be understood that the owner must assume full responsibility for any rug. No help in the installation or removal of rugs may be requested from college personnel. Since rugs may not be stored at the college over the summer, at the end of the year you are to take your rug home, or send it to be cleaned and stored. If sending to the cleaners, roll it, tie it securely and tag it clearly with your name. If you are planning to be away the Fall term, indicate the date you wish the rug returned.

The privilege of having large rugs was given with the above understanding and is

subject to removal if abused. Failure to comply will result in a \$25 fine.

12. Water Beds and Beer Kegs

Such equipment is prohibited in student rooms.

13. Summer Storage

a. SWEET BRIAR ASSUMES NO RESPONSIBILITY FOR DAMAGE OR LOSS OF ARTICLES LEFT AT THE COLLEGE TO BE MOVED OR STORED. STUDENTS ARE ADVISED AGAINST LEAVING ARTICLES OF VALUE IN STORAGE.

b. Property without shipping instructions attached, left for one year in college storage by a student after her final departure from college, either through withdrawal or graduation, will be disposed of by the College.

c. To provide improved protection for students' belongings, summer storage is provided in the trunk storage building at the power house complex. All such storage will be at the students' own risk. While the college will take reasonable steps to protect stored property, it specifically disclaims any liability for theft or damage by fire, water or any other cause. The student is responsible for packing and transporting all items except trunks to and from the storage building and for being sure that only standard size boxes (of the sizes sold in the Book Shop) are properly and securely packed. The storage of bicycles and rugs is not to be included in this facility. Students leaving items outside of storage will be assessed a \$5 fine per box.

i. Articles must be securely packed. All items such as pillows, bed and table lamps, linens, typewriters and books must be packed in a box, tied securely, and tagged with the owner's name and new room assignment. In all cases the stub should be kept by the student as a receipt and for identification in claiming her storage in the fall.

ii. Chair cushions must be firmly tied to chair. No other articles may be packed in a chair.

iii. All articles that can reasonably fit in a box must be boxed before they will be accepted for storage.

d. As the College has no moth-proof store-rooms, students are advised to send blankets home or to a laundry or to

a dry cleaner for cleaning and storage.

e. All items placed in storage must remain in the storage building until the College reopens in the fall. In the case of a non-returning student, stored items can be shipped collect when the storage facility is opened in the fall. This requires the written permission of the Dean of Student Affairs and a written request from the student.

f. At the close of the college year each student (except members of the graduating class) must leave Sweet Briar within twenty-four hours after her final examination and must take with her all of her possessions other than those to be stored at the college and those to be shipped. Graduating students may remain in the residence halls until 6 p.m. on Commencement Day at which time the halls close for the summer.

14. Room Changes

Room changes made without approval of the Housing Coordinator will result in a \$25 fine.

15. Overnight (away from room)

If staying overnight in any place other than her own room (including the Infirmary), a student is urged to leave a note on her door giving full information concerning her whereabouts.

16. Woman visitors in the residence halls

No guests may stay in the residence halls more than 3 consecutive nights without approval of the Office of Student Affairs.

17. Male visitors

a. A student may entertain a male visitor in her room according to the listing below:

It is the responsibility of every student to know, support, and abide by these hours. It is her right and her responsibility to ask fellow students to escort their male guests out of the residence hall after the close of visitation hours. In this event, she may request assistance from her House President, Students Affairs staff members, or a Security officer. Violations of the Visitation Options regulations will be dealt with by the Social Violations Hearing Board.

The following steps will be taken by a security officer regarding unattended males at Sweet Briar after the closing hour:

i. Individual or individuals are to be informed that they must leave the campus (1st offense only).

ii. If, after a reasonable period of time, he or they persist in staying, a security officer should approach the subject(s) and state, "Young man (or gentlemen), your right or license to stay on this property has expired. I give you...minutes to leave or you will be subject to arrest on the charge of trespass" (1st offense only). Further offenses will be dealt with increased severity.

b. A student may take her father or brother to her room on any day from 6 a.m. to closing hour, but she should see that the other women on the hall are notified.

c. Each residence hall has the right to close the house to men on any particular night. A one-third vote during exams and a ½ vote at other times, taken by a secret ballot, of those present and voting at a house meeting at which there is a quorum of two-thirds, is required to close the residence hall for one night or succession of nights.

d. Any student entertaining a male guest in the residence hall must accompany him at all times. **THIS INCLUDES MEETING HIM AT THE KEY DOOR AND ESCORTING HIM OUT OF THE HALL. STUDENTS SHALL NOT ALLOW UNESCORTED MALES TO ENTER RESIDENCE HALLS.**

e. The above provisions are subject to a mandatory review annually by College Council no later than its April meeting.

18. Special considerations for Visitation Option 3 areas.

a. Students living in a Visitation Option 3 area **must** give their roommate(s) a 24 hour advance notice when they are having/expecting an overnight guest. Guests will not be permitted to stay in a Visitation Option 3 hall without the full consent of the roommate(s). Should this consent not be available, the student with the guest should utilize any one of the alternatives open to all students. Anyone in the Office of Student Affairs can assist with alternate arrangements.

b. Male guests in Visitation Option 3 areas must be personally escorted by their student hostess between 12 midnight and 1 a.m. on weeknights. Additionally, they are required to remain in the room of their hostess or a designated guest room from 3 a.m.-9 a.m. on both Saturdays and Sundays unless in case of an emergency and then only when escorted by their hostess.

c. Male guests are prohibited from using any residence hall shower or facilities from 8 a.m. to 11 a.m. on **every** weekend as well as from 4:30 p.m.-6:30 p.m. on big party weekends.

d. Visitation Option 3 housing is a privilege, not a right, and thus will be reviewed by a committee of students and staff on a regular basis.

19.a. The student hostess is responsible for her visitors' and guests' conduct. **All visitors and guests, like all students, must abide by dormitory policies and campus regulations, including respect for Sweet Briar property.**

b. Any visitor's or guest's failure to abide by the above may be subject to administrative sanction by the College and/or prosecution in a court of law.

B. Key Door

Students are admitted to the residence halls after 8 p.m. through a key system. Keys are available at the beginning of the college year for a cost of \$3 (not refundable). These keys are made to fit only the "Key" doors of each residence halls, the key door being the front entrance doorway.

In case of loss, a duplicate will be issued, at a charge of \$3. *Keys may not be duplicated except by the College.* Duplicating a key is an honor offense.

A residence hall key may not be borrowed or used by ANYONE other than the student to whom it was issued. When the Administration of the College deems it necessary to change residence hall locks for security reasons, each student will be charged an additional fee of \$3 for a re-issue key.

For security reasons students are obliged to see that the "key" door is locked after them when entering or leaving the residence hall after 8 p.m. The exit likewise is to be through the "key" door only. No door is to be propped open or opened by a student within the building to allow a student or guest to enter after 8 p.m.

When returning to campus after the closing hour, students must leave their dates at the key door of the residence hall.

C. Recesses

1. College residence halls are closed and secured during the Thanksgiving, Christmas, Spring Break, and Summer recesses.

2. For students who are unable to leave campus at these times, special vacation

housing may be arranged through the Office of Student Affairs.

3. Following a recess, students may arrive on campus only after 1 p.m. on the designated day of return.

D. Quiet

1. Students, out of consideration for others, should be reasonably quiet at all times in the residence halls.

Particular emphasis shall be given to maintaining quiet in the residence halls on weekdays and Sundays from 7 p.m. to 7 a.m. and on Saturdays from the closing hour to 10 a.m. Sunday. During the weeks of examinations there shall be 24 hour quiet, enforced by the House Presidents.

2. Any student, as a member of the Association, shall have the right to protest against an unwarranted disturbance in the residence halls. In case of persistent disregard of the rights and privacy of others, she may bring the student or students creating disturbance to the Social Violations Hearing Board.

E. Keys to Student Rooms

1. A room key will be available for each student during scheduled check-in hours in September. Likewise keys to dresser drawers and closet doors in Meta Glass are often available. A deposit per key will be required. The deposit will be refunded when each key is returned.

In case of loss of a room key, students must report it to the Office of Student Affairs. A duplicate key can be provided at a cost of \$1.

At the end of the college year or at withdrawal all keys are to be returned according to the instructions provided by the Office of Student Affairs. Failure to return a room key will result in loss of the deposit and an additional fine.

2. If a student is moving from one room to another, she must return her pre-

sent room key and secure her new room key from the Housing Coordinator at the Office of Student Affairs. In addition, a student may not move from one room to another without written permission of the Housing Coordinator. Moving without permission will result in a \$25 fine and/or other sanctions.

3. IF A STUDENT IS LOCKED OUT OF HER ROOM, SHE IS TO FOLLOW THESE STEPS:

a. She should try to find her roommate and have her unlock the door.

b. If she is unable to find her roommate, between the hours of 8:30 a.m. and 4:30 p.m. she is to call the Office of Student Affairs. After 4:30 p.m., students should call the Information Center to request the unlocking of her door.

Students are reminded that unlocking of room doors is a courtesy, not a responsibility, of the College staff. A \$1 charge will be collected on each occasion that a student's room is unlocked for her.

4. A \$25 fine will be assessed for replacement of a missing or stolen door lock.

F. Residence Life Staff

It is the shared goal of all residence life staff to promote a positive quality of life for the individual and the community within each residence hall. It is their wish to assist every student in making her adjustment to college life a productive and rewarding one. Together they strive to develop an atmosphere in the residence halls which stimulates personal growth, encourages individual responsibility in decision making, and provides for an acceptance of others.

Professional staff members from the Office of Student Affairs whose particular expertise and interest lie in providing personal counseling, assisting in individual or group problem solving, and promoting the development of community, live in some of the residence halls. During the evening and night hours one of these staff members is on call and can be reached through the Information Center.

Each hall is staffed by at least one student **Resident Advisor (RA)** who is under

the guidance of the Office of Student Affairs. Her main concern is for the student as an individual. She is trained and available to listen to other students as a peer helper, to act as a sounding board, to help students explore constructive alternatives to a problem, to be a source of information about the college, to serve as a role model for her peers, and to refer students to others who may be of more assistance.

House Presidents are the elected student leaders who live in and serve each residence hall. Their primary functions are to assist students in abiding by college policy and house rule, to promote a sense of community through programming and activities in the hall, and to serve as an information liaison between students and officers of the College.

G. Fire Prevention

1. INTENTIONAL RINGING OF THE FIRE ALARM IS AN EXTREMELY SERIOUS OFFENSE AND WILL BE TREATED ACCORDINGLY. THE PENALTY IS SUSPENSION FROM THE COLLEGE AND POSSIBLE CRIMINAL ACTION.

2. To ensure unimpeded exit from the buildings, nothing may be placed on the fire escapes or ladders. A student will be fined \$5.00 for using the ladders for other than a drill or fire.

3. Fire Prevention Regulations

a. No fire may be made in any room.

b. No candles may be used in the residence hall rooms. Permission to use candles in the parlors or common rooms must be obtained from the Office of Student Affairs.

c. Smoking is FORBIDDEN in the following places:

i. Dormitories: in stairwells, halls, and corridors.

ii. Academic buildings except seminar rooms.

iii. Faculty and staff offices unless a faculty or staff member is present and gives permission.

iv. The Book Shop, Babcock Auditorium, and the Chapel.

v. The Library, except in ^{one} the smoking lounge in the stacks ~~and in other~~ designated rooms.

4. The campus fire department assists in the avoidance of possible accidents. Fire

drills are held during the night or day as announced or unannounced fire drills or fire escape drills. They are designed to promote familiarity with exits and to insure proper training in case of emergency. The assistant house presidents along with the student fire marshalls will assist the house president in clearing the floor.

Students are reminded that they are liable for any damage to property or for injury to others resulting from their negligence. Accordingly, students are cautioned to be careful when lighting, smoking, and putting out cigarettes. Regulation ashtrays and metal waste cans may be purchased at the Book Shop.

COLLEGE POLICIES

A. Day Students

1. Meals

Day Students may purchase meals for cash at the college meal rate. Meals may be paid for at the hostess's desk in the lobby of Prothro Commons.

2. Automobiles

a. Registration

Automobiles belonging to Day Students and new or different automobiles belonging to students who have previously registered other automobiles, are to be registered in the Security Office in Manson. During the day parking is allowed in the spaces in front of the gym.

3. Day Students' Room

108 Reid is the Day Students' Room.

B. Campus Employment

C. Delinquent Accounts and Bad Checks

No student who is in arrears to any department or enterprise of the College will be permitted to take term examinations, nor may she receive a grade report, transcript or diploma. A fine of ten dollars will be charged for any check returned for any reason. If more than one check is returned, the student will lose check cashing privileges for the remainder of the academic year.

D. Identification Cards

An I.D. card is issued to each student at the beginning of the college year. The student is under her honor not to tamper with, borrow, or lend this card. The I.D. card is required for the cashing of checks at the Treasurer's Office and may be called for by any department of the College.

Lost I.D. cards may be replaced for a \$2.00 fee at the Office of Student Affairs.

E. Responsibility for Property

Although the College endeavors to protect the property of its students in the same manner as its own, it will not be responsible for loss of any personal property of any student. Students are responsible for damage to College property not incurred during normal usage.

There is to be no painting of any college property, except the freshman hitching post and the sophomore rock. There is to be no painting of individual or stage property in any area of the residence halls except in Grammer Commons. Any violation of this policy will result in the individuals or clubs responsible for the damage being billed for paint removal or for redecoration of the area in question.

F. Scheduling Events/College Calendar

- I. The college calendar is located in the

Office of Public Relations and is under the supervision of the Director of Public Events. Approval for all events, whether or not they are to be listed on the weekly calendar, is required. Appropriate forms are located in the Public Relations Office.

2. All student sponsored events require the signature of the Dean of Student Affairs. Buildings and Grounds services (for any equipment set-up) require special signatures on yellow sheets available in the Office of Public Relations. Catering services are requested on pink sheets and should be made well in advance. These forms are available in both the Public Relations and Catering offices.

3. Tentative reservations will be held for 48 hours by Public Relations.

4. The weekly College calendar is compiled and published each Thursday by the Office of Public Relations. All events listed on the calendar must be approved by noon of the preceding Wednesday and the form returned to the Office of Public Relations by that time. All events, even those not appearing on the calendar, must be approved at least 24 hours prior to the event.

5. Any unavoidable time changes, cancellations, etc., should, if possible, be made prior to the calendar deadline preceding the event.

G. Publicity Guidelines

I. Off Campus

a. Media relations and off-campus publicity relating to Sweet Briar College, its students, faculty, and programs are handled through the Office of Public Relations. This office issues news releases and hometown stories about students and is interested in learning about student activities and accomplishments.

With the exception of engagement and wedding announcements, any material a student wishes to submit to any of the media should be cleared with the Director of Public Relations. If a student is questioned off campus by a reporter unexpectedly, she may, if she wishes, identify herself as a Sweet Briar student but should make clear that she is speaking only for herself as an individual. All interviews with the press,

both print and broadcast, and requests by reporters and photographers to work on campus, should be cleared by the Director.

b. The Public Relations Office also has responsibility for most College publications, including Admissions recruitment literature. Students, with their consent, are often interviewed and/or photographed for such publications.

c. In case of an automobile accident, a student is advised not to give any information to any reporter or photographer. In the interest of the owner of the car and his/her insurance coverage, it is important that information be given only to police authorities, and that it should be factual. Students are advised not to sign any report of the accident or to assume any liability, except at the direction of the police.

2. On Campus

Any reporter, photographer, or distributor of questionnaires who is not a member of the Sweet Briar community must have the permission of the Office of Public Relations to work on campus. The Office of Public Relations must be notified in advance if someone will be working on campus so that preparations can be made and clearances approved to insure cooperation from the members of the community and to protect the College, students, and others from unwanted publicity.

Students are requested to notify the Director of Public Relations if they meet any unauthorized reporters or photographers on the campus.

H. Fund-Raising

Any fund-raising projects, either on or off campus, should be cleared in advance with the Director of Development.

The stipulations regarding publicity and fund raising are made to prevent conflicts with college-wide fund-raising programs and to promote the best interests of the college community in this area.

I. Solicitors

No off-campus solicitors are permitted in the residence halls. In case any such person is detected, notify at once the Security Police Officers or the Information Center, giving the location of and a description of the stranger.

J. Food, Merchandise, and Service Sales

Any group of students, organization, or individual from on or off campus wishing to sell food, refreshments, merchandise, or services on the campus must secure permission in advance from the Dean of Student Affairs and the Vice President and Treasurer. Off-campus stores, organizations, or individuals must confine their activities to the Wailes Center. There is a fee for the use of a room in this facility. The fee is subject to change at any time.

K. Regulations Concerning the Use of College Property and Facilities

1. Written permission for the use of college property—including rooms, equipment, and campus areas—for other than their usual function and purposes by any individuals or groups, whether they are associated with College or not, must be obtained in advance from the appropriate member(s) of the College administration.

2. Requests from groups or individuals not normally authorized to use the College's mailing facilities must be addressed, in writing, to the appropriate office (Alumnae Office for Alumnae Records, Development Office for Parent Records, and others) at least three weeks in advance of the planned mailing date.

3. Such requests must be accompanied by copies of all materials to be included in the mailing.

4. Written approval of the contents must be obtained from appropriate members of the Administration and the Director of Public Relations before the mailing can be processed.

5. If permission is granted to use the College's mailing facilities, the individuals or group concerned will pay in full for all services rendered and materials used.

6. Letters or statements must be signed and envelopes must carry the name of an individual to whom a reply may be directed.

7. College stationery and envelopes are not to be used.

L. Married Students

If a student enrolled in Sweet Briar College plans to marry before graduation, she is requested to notify the Dean of Student Affairs of her marriage plans at least a month in advance of the marriage. Since there is no student housing available for married couples on campus, the student and her husband are responsible for making off-campus housing arrangements.

M. Public Conduct

Each student is reminded that, in her conduct off campus as well as on, she is a representative of the Sweet Briar Community. She is charged with the responsibility to insure that at all times her conduct reflects creditably upon the good name and ideals of the College.

SOCIAL REGULATIONS

A. Statement of Compliance

Sweet Briar College provides notice of intent to comply with the regulations effectuating Title IX of the Higher Education Amendments of 1972 as amended by Public Law 93-568. We intend to adhere to the letter and the spirit of the law through a policy of nondiscrimination on the basis of sex in all College operations. This policy applies in particular to our education program, to employees therein and to admissions thereto save where excepted under subpart C 86.15 (a). In addition, Sweet Briar College adheres to a policy of nondiscrimination on the basis of race, color, national or ethnic origin with respect to its educational program and activities, employees, financial aid awards and admission.

B. Statement on Discipline

Any student accepting a place at Sweet Briar should know that the College will not tolerate illegal acts or extremes of social behavior which ignore the rights of others or are injurious to the individual, the community, or the College itself.

In any extreme or clearly dangerous situation the judgement of the President suffices to enforce a decision of temporary suspension and removal from the College until a hearing before the appropriate committee can be arranged. This procedure will be accomplished as quickly as possible.

Any student unwilling to acknowledge such authority on the part of the College is advised to withdraw.

The College reserves the right to exclude at any time, following established procedures that protect individual rights, any student whose conduct or academic standing it regards as unacceptable in a community of scholars and students.

C. Drinking Regulations

Consumption of alcoholic beverages at Sweet Briar College, either by students or their guests, shall be controlled by the laws of Virginia and/or Amherst County. The above-mentioned laws make illegal the following:

1. The sale of wine or liquor to persons under 21 years of age; the sale of beer to persons under 19 years of age as of July 1, 1985.

2. The falsification of age by persons under age in order to purchase alcoholic beverages.

3. The purchase of alcoholic beverages for another person when there is reason to believe that the person is under age.

4. The serving of alcoholic beverages (except beer to those 19 and over as of July 1, 1985) to any person under 21 whether in a private home, residence hall room, club, party, or other place.

5. The transportation of alcoholic beverages unless contained in paper bags or cartons which render the identification of

the contents unrecognizable. In other words, it is against the law to carry an open drink in public.

In addition, any person who serves alcoholic beverages to a minor or, for that matter, to a non-minor may become liable for any resulting accident or injury which occurs. Either criminal or civil liability, or both, may result in such cases if it can be demonstrated that such action was a contributing cause of the accident or injury.

College regulations prohibit consumption of alcoholic beverages in all academic and public areas of the college, by either students or their guests, with the exception of the Boathouse, the Chef's Kitchen, the Picnic Grounds, and other areas officially designated by the Office of Student Affairs. In the Wailes Center purchase or consumption is limited to beer for those 19 years and older as of July 1, 1985. Food and non-alcoholic beverages must be served at any event at which alcoholic beverages are offered at Sweet Briar College. Honor Code principles apply. **Hallway parties and kegs of beer are prohibited in the residence halls.**

It shall be the responsibility of each member of the Sweet Briar community to know and to comply with all pertinent laws and college regulations and, further, to help prevent any abuses or excesses stemming from the use of alcoholic beverages. In particular, students are reminded of their general responsibility for the safety and welfare of one another, as well as their specific responsibility to the college community for the highest standards of conduct and behavior, not only of themselves but also of their guests.

Any special permission for exceptions to the regulations above must be obtained from the Dean of Student Affairs. It should be noted that, in general, beer may be served to those of age, with permission and within college regulations, at college-approved social functions held in public areas. Beer to be served under these conditions must be purchased by the student responsible for the event.

A complete statement on alcohol is available in the Office of Student Affairs.

Private "in-room" gatherings should be limited to no more than twice the capacity of the room.

D. Statement of Drug Policy of Sweet Briar College

1. According to Virginia State Law, it is illegal to possess or distribute a wide variety of drugs.

2. Police and College Security have the responsibility for law enforcement and may search a student's room if they have evidence that the law is being broken. As a protection for the rights of students, the College has stated, however, that it will not condone such a search unless a proper legal warrant has been obtained.

3. As an educational institution, Sweet Briar is concerned with informing students of the personal and community consequences of the use of drugs and thus with helping them make responsible decisions in this area. Any student who approaches an official of the College seeking help or treatment for a drug problem will be given every possible assistance. In this case, all disclosures by the student will be treated with complete confidentiality and no disciplinary action will be taken. Professional staff as well as a peer counseling group are available to counsel students seeking help with drug problems. Also, literature on drugs is on reserve in the Mary Helen Cochran Library.

4. In the event that an incident of drug abuse comes to the attention of the Administration other than by self-report, the following guidelines will determine the course of action to be taken:

a. Any student reported to have illegal drugs (including marijuana) on campus will, at the discretion of the Dean of Student Affairs, be subject to a probationary status, will be advised to seek counseling, and/or will be referred to a hearing board for possible disciplinary action, especially in the case of a repeated offense. In the latter instance the board may recommend any one of a range of penalties available to the college, including expulsion.

b. Any student found to be engaging in the sale or distribution of illegal drugs on campus or for use on campus will generally be reported immediately to appropriate civil authorities. In such a case, the Administration will also bring a complaint before an internal hearing board. A guilty verdict would result in a recommendation for expulsion

from the College.

c. Any nonstudent found to be engaging in the sale or distribution of illegal drugs at Sweet Briar will be reported immediately to civil authorities, and if applicable, a complaint will be filed with appropriate college authority.

5. Because of the many issues involved, each report of possible drug abuse off campus will be considered in relation to time, place, and circumstances of the instance in question. In the event of such an abuse in which Sweet Briar may be directly or indirectly involved, the Administration reserves the right to file a complaint with the appropriate authority, regardless of parallel legal proceedings.

SECURITY

Sweet Briar College has around-the-clock security coverage. Anyone who needs the assistance of a security officer or who wishes to make a report to campus police should dial **381-6144**. This telephone number is answered at the Information Center when no one is in the Security Office, which is found on the ground floor of Manson. SWEET BRIAR COLLEGE HEALTH SERVICE

The Sweet Briar College Health Service is dedicated to helping each student learn to assume personal responsibility for her own health and well-being and maintain a state of positive good health.

The Service is staffed by the College Physician (part time), the College Psychiatrist (part time), and five registered nurses. Consulting services in all medical specialties are available in Lynchburg, 14 miles distant from the College. The Amherst County Rescue Squad, a volunteer organization, may be called upon in emergencies and provides prompt transportation to the Emergency Room of Lynchburg General-Marshall Lodge Hospital. The College Physician holds scheduled office hours while the College is in session. In case of emergency outside of the scheduled office hours, the nurse in charge will inform the physician and secure instructions as to procedure.

With the exceptions noted below, service for students is provided as a part of the comprehensive college fee and is as follows:

A. Out-patient

1. The College Physician may be consulted at the Harley Student Health Center during the scheduled office hours of 8:30-9:30 a.m. Monday-Friday. Specific office hours of the physician and the nurses are listed in the Directory of Hours.

2. The College Psychiatrist sees patients by appointment at the Health Center. A student desiring a consultation should telephone the Health Center to make an appointment. The service provided consists of counseling. Intensive therapy is not provided. Consultations are normally limited to 30 minutes. The service is provided on campus by the College without charge. If the student and the psychiatrist agree that an extended series of consultations will be helpful, arrangements may be made by mutual agreement with the student or her family paying the usual psychiatrist's fee.

3. A Gynecological Evaluation and Counseling Service is available on campus for all students by appointment. Services are provided by a registered nurse practitioner and social worker, both well accredited for such services. Appointments are made by calling the Health Service. Confidentiality is maintained for the student. The only charges are for laboratory work and medications.

B. In-patient

In-patient services are provided for students ill enough to need bed care. If confinement in the Health Center seems likely to exceed five days, the student or her family will be advised. The comprehensive fee for resident students covers office visits to the College Physician, consultation with the College Psychiatrist as specified above, and bed care in the Health Center up to five days without extra charge. For each additional day of care in the Health Center, appropriate and reasonable charge is made.

On a limited out-patient basis, the Health Service makes provision for the employees and faculty of the College. Employees and faculty may consult the College Physician during scheduled office hours only. Children of staff and faculty are seen at the Physician's private office. No house calls can be made and no bed care in the Health Center provided. Since the

Health Service is available only when the College is in session, every employee, faculty member, and family member is advised to have a personal physician in the local community. Treatments prescribed by a personal physician may be given at the Health Center while the College is in session. There is no charge for employees of the College. Emergency procedures for employees and their families are handled in the same manner as for students. A minimum charge is made if an adult member of a faculty family is seen.

For legal reasons the Health Center does not dispense medication except in an extreme emergency. The physician will prescribe medications needed by a student. The prescriptions will be delivered daily at a specified time to the Information Center by a local Amherst pharmacy. Only the person for whom the drug is prescribed will be permitted to pick up the medicine. A charge will be made to the student by the pharmacy. There will be a charge to the students, faculty and employees for injections, dressings, lab work, etc.

The College Physician and the College Psychiatrist serve, in relation to both students and employees and their families, in accordance with the ethical standards of the medical profession. All information received by the College Physician and the College Psychiatrist in the discharge of their professional duties, whether from students or members of the staff or their families, is privileged and confidential and will not be divulged without the consent, given in advance, of the patient unless required by law, or if in the judgement of the College Physician or the College Psychiatrist a serious threat to the welfare of the patient or the community may arise out of the patient's medical problems.

The College Physician and the College Psychiatrist share with the department of Physical Education responsibility for the College's program of health education. There is an accredited course in health education open to all four classes under the department of Physical Education. In addition, the Health Service and the Department of Physical Education jointly undertake to provide information on the problems affecting the physical and mental health of the community. Informational material in the form of books and pamphlets on sex, drugs, and other matters of health are available in the Health Center, the Library and in the Office of Student Affairs.

Since the Health Center has the responsibility for the medical care of the students, it is urged that all referrals to consulting specialists be ar-

ranged through the Health Center. The Health Center assumes no responsibility when students choose to consult outside physicians independent of the Health Center.

In cases of extreme emergencies, the nurse on duty may leave the Health Center and go to the site of the emergency on campus to administer first aid and make an evaluation. A member of the staff will cover the Health Center during that time.

RELIGIOUS LIFE AND SERVICE

Sweet Briar is an independent college without denominational affiliation. Nevertheless, it has always stressed the cultivation of spiritual values as essential to true education.

From its beginning Sweet Briar College has emphasized cooperation among people of faith within and beyond the Christian community. Even before the great modern ecumenical movement gained momentum, ecumenism was practiced at Sweet Briar and continues to be.

The varied religious backgrounds of both faculty members and students enrich the whole life of the campus community. However, the individual's participation in either the academic study of religion or the College worship services is entirely voluntary.

The Sweet Briar Memorial Chapel provides an invitation to worship to all who enter. Completed in 1966, the Chapel was dedicated on April 23, 1967. Its copper-roofed spire rises 125 feet above the surrounding landscape and stands as a focal point of the residential quadrangle at the east end of the campus.

Sunday services are held in the main Chapel. The College Chaplain presides and, during the academic year, guests from several religious traditions are invited to preach. Holy Communion is celebrated regularly. The Roman Catholic Mass is also celebrated there each week by a priest from the Diocesan Campus Ministry.

Students serve on the joint faculty-student Church and Chapel Committee which advises the Chaplain and actively supports the religious ministry on campus. This Committee is responsible for the direction and growth of the religious life of the College, arranging college worship services, and distributing the chapel offering to various charitable agencies. The Church and Chapel Committee initiates service projects, conducts Bible Study and spiritual

growth groups and provides programs which focus on the development of personal values and increased awareness of community, national and worldwide concerns.

The College Chaplain is available for counseling and assisting student groups to build religious community on campus.

The College Chaplain is the Reverend Susan C. Lehman, whose office is located on the lower level of the Chapel.

FOOD SERVICES

The Staff of the Food Service Department has served the college for many years and takes pride and pleasure in its contribution to the quality of campus life. Our statement of purpose is:

...to consistently provide exceptional quality and wholesome food and beverages to students and their guests, in facilities that meet the highest standards of sanitation, served by a staff that is pleasant and cooperative, and to operate within the financial limits established by the College.

A. Prothro Commons

This is the campus dining facility, one of the loveliest dining rooms on any college campus. Students, faculty, staff and guests gather daily in this congenial atmosphere. To assist us in maintaining a consistent and quality food service program, we ask for the cooperation and support of all students in abiding by the following policies:

1. Use of Dining Hall

The Dining Hall is open for meals during listed hours, and is not available between meals, or after hours when the college is closed, unless a request for a special event has been approved through the Director's office.

2. Programs

In an effort to keep the atmosphere during meals congenial and compatible with pleasant dining, we restrict activities during meals to general announcements and student sponsored events that have been approved by the Director.

3. Visitors

Students are encouraged to bring their guests

to meals and they are expected to ensure that guests' meals are paid for before entering the service area. Payment can be made at the hostess desk in the lobby.

4. **Alcoholic Beverages**

In compliance with Virginia A.B.C. Regulations, no alcoholic beverages are permitted in the dining hall.

5. **Attire**

Students are expected to dress appropriately for meals, in consideration of other students and guests. Shoes must be worn. Sleepwear and bathing attire are not acceptable.

6. **Off-Premises Meals**

Food Service does not provide student meals, groceries or uncooked food for off-premise consumption. The only exceptions are bag lunches for very special occasions, and Health Center meals.

7. **Bag Lunches**

Bag lunches are provided for field trips, student teaching and athletic activities off campus. They must be requested by the faculty or staff member in charge, at least 48 hours prior to the event. Arrangements can be made with the Dining Hall Manager.

8. **Health Center Meals**

The dining hall sends meals to the Infirmary only at their request. Meals are sent only for the attending Health Service Nurse and for students who are residing in the Health Center.

9. **"Take-out Food & Snacks"**

The Food Service program is designed only for meals consumed in the dining hall. We expect students to miss some meals and budget accordingly and therefore cannot allow food and beverages to be taken out for "snacks".

10. **Removal of Equipment & Supplies**

The china, glassware, silver and table appointments are purchased for use in the dining hall only. Replacement of these items is costly and is an inconvenience to other students when the supplies run out. Removing these items can be considered stealing and therefore is considered an honor offense.

B. **Wailes Center**

The Wailes Center is a multi-purpose building and a social center for the college. The Lounge and Boxwood Room on the first floor are public areas. The "Bistro" on the ground floor is a

student restaurant offering light fare, beverages, groceries and entertainment.

The Wailes Center has a license to serve alcoholic beverages and abides by the following laws of the State of Virginia:

1. Alcoholic beverages may not be brought onto a leased premise.
2. Patrons must be 19 years or older as of July 1, 1985 to consume or purchase beer.
3. Only beer may be purchased and taken "off-premise".

C. **College Catering Services**

The Food Service Department offers a catering service to all students, faculty and staff. Catering provides service, food and beverages for many college events that take place in non-food service facilities. The Catering Manager can assist in the planning, cost estimates and coordination of services. The college does not allow "off-campus" food companies or caterers to provide service on campus.

Employment—The Catering Department employs many Sweet Briar students in its service. Students interested in this on-campus employment opportunity may contact the Catering Manager.

D. **Mother Macke's**

Mother Macke's, located in the basement of Reid, is a popular student lounge. Open 24 hours a day to students only, Mother Macke's houses a variety of vending machines where students can purchase snacks and drinks. There is comfortable seating for eating snacks, playing cards, and just talking. Some dorms are also equipped with vending machines.

CAMPUS SERVICES

A. **Book Shop**

The Book Shop is located on campus (see map) and provides a readily accessible source of textbooks, trade books, supplies, gifts, clothes, and personal computers. All purchases for textbooks and school and art supplies may be charged. Statements will be rendered monthly and are due within 30 days. An unpaid bill of two hundred dollars or more will be subject to review as to further charge account privileges.

B. Post Office

The U.S. Post Office is located on the ground floor of Manson Hall. The purchase of stamps and all other postal services are available here; two forms of I.D. are required for purchases paid by check. At the request of the Student Government Association, students receiving special delivery mail are notified by telephone. A complete mail schedule is posted in the post office lobby at all times. Each student is assigned a post office box for rent which is payable at the beginning of the college term or may be paid in advance. In addressing students' mail to Sweet Briar, Virginia 24595, parents and friends are asked to please use the students' box numbers to expedite the delivery of the mail. It is not necessary to show Sweet Briar College or the name of the residence hall in the students' addresses.

C. Laundry

A modern coin-operated laundry facility is available on campus for student use. Those students who desire a weekly linen service consisting of 2 sheets, 1 pillowcase, 3 bath towels, 2 hand towels, and 2 wash cloths may obtain this service from a college approved contractor.

D. Information Center

The Information Center, located on the ground floor of Manson, has someone on duty 24 hours a day to help when needed.

The Information Center maintains radio contact with security officers at all times.

E. Security Office

The Security Office, located on the ground floor of Manson along with the Post Office and Information Center, is the office for the Sweet Briar Security Force. For more information, see above section entitled 'Security'.

F. Intra-Campus Mail System

Located in the Information Center, the mailing system is for the use of all members of the Sweet Briar community (student-faculty-administration) and offers an alternative to the U.S. Post Office and the kiosk.

Each student is assigned an open box at the beginning of each academic year. The faculty and administration are provided with a large, locked collection box adjacent to the student boxes, where students may leave mail to be

delivered to faculty and staff by the campus mail delivery employees. It is the responsibility of the originator of a particular piece of mail to see that it is delivered to the appropriate box or boxes. All campus mailing procedures come under the jurisdiction of the Office of Student Affairs.

CAMPUS OFFICES

A. Office of the Dean of the College

The Dean of the College and the Associate Dean of the College have offices on the first floor of Fletcher. The Office of the Dean of the College has responsibility for the following areas: academic counseling; admission with advanced standing; all summer school work; class attendance; withdrawal from the College and readmission after withdrawal; academic eligibility; study abroad; academic advising for foreign students; independent study work; and internships.

For the hours when the office is open see Directory of Hours.

B. Office of the Registrar

The Registrar's Office, located on second floor Fletcher, informs students of course offerings, class schedules, course registration changes and classroom assignments, academic records, grade reports, transcript requests, teacher certification and declaration of majors.

C. Office of Student Affairs

This office which is located in the basement of the Chapel coordinates housing assignments, matters pertaining to extracurricular student life, orientation, international students, women's programming, developmental programming, the Resident Advisor program and the use of college vehicles for approved activities and cultural events. The Dean of Student Affairs, Director of Residence Life and Hous-

ing, Director of Student Life, and Outdoor Program Coordinator have offices in this area. These professional staff members are skilled in and available for personal counseling.

D. Career Planning

The Office of Career Planning welcomes students from all classes to its activities. Throughout the year, it offers programs and speakers describing many varied career fields. In addition, the staff presents workshops on necessary skills and pertinent topics on a regular basis. The Career Library houses information on a broad spectrum of career areas, as well as graduate school catalogues, summer job announcements, current job openings and suggestions on job-hunting techniques. Material is continuously updated and available for student use. Representatives from graduate schools, including business and law schools, and recruiters from different businesses interview students on campus.

Students may elect to take an interest inventory to aid in self-assessment and career decisions or use the microcomputer and microfiche systems. The Career Connection (alumnae network) provides contacts for internships, summer jobs, and permanent employment. Seniors and graduates may open a permanent credential file. The Director and staff are always available for personal conferences concerning career direction and preparation. Students are urged to participate in career planning activities from the very beginning of their college years.

E. Alumnae Association

The Alumnae Office is located in the Alumnae House on the Sweet Briar campus. Mrs. Bernard L. Reams (Ann Morrison '42) is the Director. The purpose of the Association is to foster and promote in individual alumnae and alumnae clubs and active interest in Sweet Briar College. This is accomplished in a variety of ways: by acting as the liaison between the College and its alumnae; by publishing the Alumnae Magazine; and by continuous communication with alumnae through classes and clubs. Alumnae give financial support to the College by working for and giving to the Alumnae Fund, and by selling imported Holland flower bulbs for club scholar-

ships. They work actively to encourage qualified students to apply to Sweet Briar for admission, and constantly attempt to uphold the image of Sweet Briar as a superior college for women. The Alumnae Association provides many outstanding speakers and programs for the College community. The office staff coordinates all alumnae programs and provides many special services to alumnae such as keeping up-to-date address files, which include information on occupations, and offering tour opportunities, reunion weekends, etc. to its members.

HONORARY ORGANIZATIONS

A. Phi Beta Kappa

In 1949, the United Chapters of Phi Beta Kappa granted a chapter, Theta of Virginia, to Sweet Briar College. Election to membership depends not only on excellent academic record but on evidence of broad cultural interest, scholarly achievement, and promise of intellectual growth.

The number of seniors elected to Phi Beta Kappa rarely exceeds .10 of the class and may never exceed .15. A limited number of juniors may be considered for election.

B. Tau Phi/Chung Mungs

Tau Phi is an honorary society consisting of juniors and seniors who have contributed to Sweet Briar through scholarship and service. The twenty members are chosen for their interest in academics, character and leadership. The club promotes intellectual growth of the college by assisting the Lectures Committee and organizing projects to further promote the principles of liberal arts education.

Tau Phi is not always involved in such intellectual activities. They often enter into friendly rivalry with the Chung Mungs, but do manage to get together with this ghostly club for a few events.

The Chung Mungs, an upperclass honorary society, is composed of thirteen outstanding juniors and seniors, known for their friendliness, cheerfulness, enthusiasm and general interest in Sweet Briar. Their activities include weekly sales of goodies in the dorms and sponsoring of the aluminum can recycling campaigns. It is characteristic of this group to con-

stantly seek new areas of activity which will benefit the College.

In the moments not occupied by such worthwhile pursuits the Chung Mungs must deal with the serious and sober-minded Tau Phi's, harassing and ruffling their intellectual demeanor. Whatever these ghostly thirteen do, they continue to remind us of the need of others and prove that giving need not be a sober affair. A familiar and integral element of Sweet Briar life is this fun-loving group who so happily chant, "Glory, glory, I'm a Chung Mung..."

C. Sweet Tones/Earphones

Sixteen girls from the sophomore, junior, and senior classes compose the Sweet Tones, Sweet Briar's small independent singing group which specializes in interesting arrangements of popular music. Tryouts are held each spring and the following year the group entertains for various social events on campus such as the Christmas dinner, Alumnae meetings, Board meetings, and for various organizations in the Lynchburg-Amherst area.

The newest group on campus is also the loudest! They are known as the Earphones. The tone-deaf, loud-mouthed song lovers keep the campus singing when they rise to the occasion with a song.

They do not try to imitate the Sweet Tones (no one could). They just want the Sweet Tones to remember that not everyone is blessed with a tear-jerking voice.

D. Paint and Patches/ Aints and Asses

Paint and Patches, Sweet Briar's dramatic club and oldest honorary, was organized for the purpose of creating and developing an active interest in all aspects of drama and to promote a deeper knowledge of the technique of dramatic art.

P&P also attempts to provide entertainment for the entire community and to be of assistance in any theatrical undertaking on campus.

Eligibility for membership in Paint and Patches is determined by interest, achievement, and lots of hard work. The various areas of club activity include, in addition to acting and directing, scenery design, properties, lights, makeup, and costumes, providing many oppor-

tunities for membership for those interested in various branches of the theatre.

Aints and Asses, as the name should indicate, is a unique organization on campus. Its members, chosen for their wit and lack of restraint, dress in manner unorthodox and behave in manner even more so.

The Aints and Asses were originally formed to take off on Paint and Patches productions, but now, being masters of comedy, the Asses perform several original skits during the year to entertain the students. When spring arrives, one can see them out in full force, blowing their whistles to keep students from trampling the grass.

E. Bum Chums/Q.V.

"Hallelujah, I'm a Bum!" sung gaily, echoes through the halls of Sweet Briar the night of spring step singing as the Bum Chums tap their ten new members. In addition to an interest in furthering good Lynchburg-Amherst area relations with the College, the Bum Chums are chosen for their good spirit, interest, and general participation in the activities of the College.

Throughout their junior year the "notorious ten" serve as useful members of the community. As a service organization, the Bums sponsor the Bloodmobile, the Christmas Bazaar, a foster child, and many service projects. Not least among their projects is the famed show, the Bum Chum Inn. Also, the Bum Chums make a fun-loving effort to harass their rival group, the secret Q.V.'s.

A girl who is chosen to be a Q.V. is not taking on a new job; she is continuing her interest and work for the class. The members of this sophomore honorary society are elected by their classmates in the spring of their freshmen year for the spirit and enthusiasm they have displayed. The Q.V.'s goal, that of spirit and unity, is an intangible and challenging one for each new group to work toward. Their purpose is to promote class spirit and their names are kept secret until Spring Step Singing of their sophomore year.

CLUBS

A. American Chemical Society

Members of the Sweet Briar Student Affiliate of the American Chemical Society are mainly natural science majors. ACS brings lectures and films to Sweet Briar in the fields of science, fosters student-faculty rapport, and participates in regional and national science meetings and conferences. Membership is open to all interested freshmen and upperclassmen.

B. De Deutsche Klub

The German Club was formed to provide interested students with the opportunity to speak German outside the classroom and to become acquainted with the history and culture of the country. The club's activities include: trips to a German restaurant, films and speakers, picnics, a monthly conversation-game hour, slides and travel lectures by students, Christmas caroling and other holiday celebrations, wine and cheese Stammtische with students and faculty from VMI and W & L, and a traditional German dinner. There is also a German table in the dining hall each week, at which students from beginning to advanced levels hold informal conversations with the department. All interested students are encouraged to participate in the club's activities, in order to create an atmosphere of *Gemutlichkeit* among the German-speaking community.

C. Creative Arts League

Newly founded in 1982, the Creative Arts League brings together students with interests in art, drama, writing, music and dance. The League sponsored an intercollegiate art show and competition, brought a lecture and the screening of a new film to campus, and participated in the Women and the Arts program series.

D. Italian Club

The Italian Club was formed in 1969 in

response to the growing interest in the heritage of modern Italy, its culture, its language, and its history. Members of the organization are eager to spread their enthusiasm and do so by sponsoring various activities such as literary discussions, theatrical productions, current lecturers and films, informal social gatherings, and an Italian table in the dining commons every week for informal conversation over lunch. All members of the Sweet Briar community are invited to join the Italian Club.

E. French Club

The French Club was formed to bring together students interested in France, its people, and its culture. Throughout the year the club sponsors several wine and cheese parties, films and lectures, as well as "la table française," a table in the dining hall for those who wish to engage in informal French conversation during lunch. "Vive la France !"

F. Interact

The purpose of Interact is to devise and implement programs and activities to foster, develop, and improve channels of communications, knowledge, cooperation, and mutual support among the students, alumnae, community, and friends of Sweet Briar College. Members conduct student panels for Alumnae Council, speak to Alumnae Clubs on Sweet Briar Day, work on alumnae telethons, talk to area civic clubs and organizations, work to increase awareness in the Alumnae Association, and organize the activities for Parents' Weekend.

G. Inter-Varsity Christian Fellowship

H. Library Collections Club

The Club has had as its main purpose the exploration of those unusual collections of books and other materials that may be located in libraries in neighboring institutions such as Washington and Lee University, or in the hands of private collectors like faculty, or in centers of historical interest such as Charlottesville and Washington, D.C. The group developed out of a concern of the Friends of the Sweet Briar Library that the rarity of books and artifacts can give pleasure and intellectual stimulation to

those who collect and those who appreciate the acquisitive spirit of human nature.

All interested are invited to contact Mr. Jaffe, Library Director, and to join a small group of intellectually curious who want to explore the hidden treasures in the neighboring regions of Sweet Briar. Informality prevails, and the wishes of the members of the Club determine its activities.

I. Recreational Association (RECA)

Sweet Briar offers a variety of sports activities. All members of the Sweet Briar community are entitled and encouraged to use all athletic facilities and equipment, with the understanding that some may be used only under qualified supervision. Specific activities sponsored by RECA are:

1. Faculty-student and intercollegiate activities.

These activities provide opportunities for those interested in athletics. They include water polo games, volleyball, badminton, and runs from W & L to SBC.

2. Outing Cabin

The Outing Cabin, located on Paul's Mountain behind the campus, is the meeting place and focal point of Outing Club activities. The cabin is really a rustic structure without modern conveniences. Overnight trips, cooking (e.g., bread-making), cabin skills, outdoor education, and map reading are just a few of the activities that are scheduled. (Detailed regulations are available at the Gymnasium.)

J. Rare Books Club

The Rare Books Club gives interested students an opportunity to examine rare books and the evolution of the history of printing. A trip to Washington, D.C. during January and exposure to rare books collections at area universities and colleges (such as Washington and Lee) are planned annually.

K. Riflery Club

The Riflery Club was started to encourage organized rifle shooting among students and faculty. An outdoor range, ammunition, and rifles have been provided. Beginners as well as advanced shooters are welcomed to participate in competitive shooting.

L. Spanish Club

The Spanish Club enables professors and students who are interested in the culture and language of Spain and Latin America to participate in various informal activities. Activities will include slides and lectures by students who recently studied and travelled abroad, films, Scrabble games in Spanish, holiday celebrations, a trip to Washington, D.C. for sightseeing and a Spanish meal, and a weekly discussion table in the Dining Commons during lunch.

M. Student Guides & Overnight Hostesses

Student Guides and Hostesses serve a vital function to the Admission Office in presenting the College to visitors and also in sharing with the Admission Office their impressions of prospective students. The prospective student's visit with the guide and/or hostess is often a determining factor in her reaction to Sweet Briar.

Student Guides show prospective students and other guests around the campus. Each guide volunteers one hour of the week during which she is available to give tours of the campus. A chairwoman, who is appointed by the Admission Office, coordinates the activities of the guides. At the end of the year, ten Guides who have been especially outstanding in giving of themselves and their time are chosen as Honor Guides. Freshmen are eligible to be Guides after the Fall Term. Anyone who is interested in being a volunteer Guide should contact the Admission Office.

Student Hostesses are headed by the Overnight Hostess Chairwoman. Hostesses entertain prospective students who wish to spend an overnight in the residence halls. Those who are interested in being a Hostess may volunteer at the Office of Admissions in the early fall. The Chairwoman is responsible for placing the prospective student with a hostess.

N. Sweet Briar Dance Theatre

Sweet Briar Dance Theatre is the performing unit of dance students who are actively involved in dance and are in dance technique, dance com-

position or technical theatre classes. Sweet Briar Dance Theatre provides performance experience as well as an opportunity to work in dance production, publicity, costuming, and back stage management. The group gives dance concerts and lecture-demonstrations on and off campus performing works by dance faculty and advanced students.

The studio is located on first floor Reid.

T. Young Republicans

Not only does the club sponsor prominent speakers, it initiates joint activities, workshops, and mixers with neighboring undergraduate and graduate schools. This committee asks each class to elect two representatives who will actively participate in the meetings. The students are able to propose lectures and actually be involved in the planning and introduction of these lecturers to the Sweet Briar Campus. This committee also offers an opportunity for the student to work with faculty on a personal basis and to broaden her knowledge of culturally and academically notable persons.
